

Project: Web Belajar Bareng

URL: <https://belajar-bareng.onrender.com/>

Objective:

Ensure the Login and Add Users features function correctly according to system requirements, validate user input, and ensure user data is stored successfully.

Scope: Login and Add Users

Login

- Login with valid username and password
- Login with invalid username and password
- Login with empty username
- Login with empty password
- Login with empty username and password
- Logout functionality

Add Users

- Add new user with valid data
- Add new user with invalid data
- Mandatory field validation
- Email format validation
- Duplicate email validation
- User data storage verification

Features to Test:

- Login Authentication
- Login Validation
- Error Message Validation
- Logout Functionality
- Add Users Functionality
- Mandatory Field Validation
- Email Validation
- User Data Storage
- Success and Error Notifications

Exclusions:

- Performance Testing
- Load Testing

Test Strategy:

- Functional Testing
- Positive Testing
- Negative Testing
- Validation Testing

Resources:

- Team: 1 QA Engineer
- Tools: Google Chrome and Microsoft Excel & Word
- Device: MacBook

Risks:

- Login feature unavailable during testing
- Add Users feature cannot save data
- Server downtime
- Internet connection issues
- Requirement changes during testing

Timeline:

- Week 1: Requirement analysis and Test Planning
- Week 2: Test Case Design
- Week 3: Login Feature Testing
- Week 4: Add Users Feature Testing
- Week 5: Bug Reporting and Retesting
- Week 6: Test Summary and Logout

Deliverables:

- Test Plan
- Test Cases
- Bug Report
- Test Execution Report
- Test Summary Report

Success Criteria:

- 100% Test Cases Executed
- No Critical Severity Bugs Open
- Login Feature Works Successfully
- Add Users Feature Works Successfully

Environment:

- Website: <https://belajar-bareng.onrender.com/>
- Browser: Google Chrome
- OS: macOS
- Internet Connection Available

Documentation:

- Requirement Specification
- Test Plan
- Test Cases
- Bug Reports
- Test Summary Report
